E-mail: [majinchu@msn.com](mailto:majinchu@msn.com)

---

**Objective** Entry-level position as Software Engineer or Technician.

---

**Education** *Boise State University, Boise, ID*  
BS in Computer Science, GPA: 3.624  
Graduation date: December 2015, Cum Laude  
*Boise State University, Boise, ID*  
AAS in Electronics Technology, GPA: 3.918  
Graduation date: May 2010, Magna Cum Laude

**Skills** **Programming Languages**  
-Java, C, Python, WebGL, JavaScript, Android  
**Hobbies**  
-Game Maker Studio, Computer Graphics, Video Editing, Power Tools, Carpentry

**Projects** Please view my online portfolio including hobby projects here:  
<http://matthewgillatt.github.io/>

- Created a WebGL and JavaScript program which runs in a web browser. It uses Binary Space Partitioning Trees to manually compute the drawing order of polygons.
- Created Android app for exercise machine made by Mechanical and Electrical students, for Data Athletics. The app creates user profiles selectable from a drop-down list, and sends and receives data using Bluetooth to the machine.
- Developed a java applet implementation of Nine Men's Morris on a team, using agile software development.
- 4 Game Maker and Game Maker Studio projects are available on my online portfolio above, with executables and online videos to demonstrate their progress.

**Career History** 05/2016 – 08/2017: Warehouse Operator at Supervalu IT, Boise, ID  
-Temporary position given through Volt Workforce Solutions. Tested and cleaned used computer hardware, moved and wrapped pallets, kept inventory using Microsoft Excel, and occasionally lifted up to 50 pounds.

09/2006 – 08/2007: Courtesy Associate at Wal-Mart, Nampa and Boise, ID

-Returned shopping carts full-time, while cleaning up parking lot, and loading products into customers' cars/trucks.

- Dean's List 2008-2009, 2012-2015

**Honors & Volunteering** 05/2013 & 05/2014 & 05/2015: Volunteered creating a "Retro Game Arcade" at South Middle School Library in May for students. Connected TVs, designed and printed posters with instructions. Contact Deb Garner (208)899-2880 or [rogdebgarner@hotmail.com](mailto:rogdebgarner@hotmail.com)
